MPhil UNIVERSITY OF CAPE COAST, DEVELOPMENT STUDIES May 2013
Thesis: “Performance and challenges of Internally Generated Revenue mobilization of the Abura-Asebu-Kwamankese District Assembly for local level development”
Lead Advisor: Professor John V. Mensah

Course work: Please refer to the **Transcript** (enclosed) for details
Theories of development and underdevelopment, Advanced Statistical Methods and SPSS applications, Advanced Research Methods, Contemporary Issues in Development Studies.

BSc KWAME NKRUMAH UNIVERSITY OF SCIENCE AND TECHNOLOGY,
DEVELOPMENT PLANNING May 2004
Graduated with a Second Class, Upper Division

Project Topic: Role of **women** in the **Small Scale Enterprises’ Development** in KEEA district, Central Region (July, 2003- May, 2004) (Principal Supervisor: Professor Romanus Dinye)

Course work: Please refer to the **Transcript** (enclosed) for details
Development Planning, Social aspect of Development, Urban and Rural Development, Project Planning and Management, Theories of development, Infrastructure Planning.

HONOURS AND AWARDS

Title of Fellowship 2015
Indian Government Scholarship for Ph.D. studies (ICCR Scholarship)

RESEARCH EXPERIENCE

Evaluation of Water, Sanitation and Hygiene Projects for Urban Poor August, 2018 – Sept, 2018
(WASH-UP). Project funded by USAID – Team member
Lead consultants are: Management Systems International (MSI- from USA)
and PRAGMA, from USA.

Offinso District Assembly, Ashanti Region, Offinso Ghana 2006 to 2006
Position, Facilitator

- Designed District Water and Environmental Sanitation Plan (2004-2008)
- Designed District Medium Term Development Plan (DMTDP, 2006-09/ 2010-2013)

TEACHING EXPERIENCE

National University of Lesotho October 2019 to Present
Lecturer, Department of Agricultural Economics and Extension (**PART TIME LECTURER**)
Courses taught, **Leadership and Governance** and **Project Monitoring and Evaluation**, a Masters
course in Agribusiness averaging 20 students per semester.

- Teaching methods includes: Research and presentations, class discussions, audiovisuals (videos), face to face lectures, and student led teaching method.
- Developed quizzes, exams, and homework
- Revised the syllabus to meet accreditation standards
- Coordinated grading
- Developing course materials and outlines
- Developing the syllabus

National University of Lesotho October 2018 to Present
Lecturer, Department of Political and Administrative Studies

Courses taught, development of course materials and course outlines for:

- Taught **Introduction to Public Administration**, an undergraduate course averaging 150 students per semester, covering the following topics: Public Administration in Changing World - New Public Administration, New Public Management, Theories of Administration, The structure and role of government, Approaches to Public Administration, Theories of Governance; E-Governance, Good governance, Peoples' Participation in Administration, Entrepreneurial Government; Development Administration.

- Developed quizzes, exams, and homework

- Revised the syllabus to meet accreditation standards
 - Coordinated grading
 - Developing course materials and outlines
 - Developing the syllabus
-
- Taught **Local Government and Decentralisation**, an undergraduate course averaging 150 students per semester, covering the following topics: Introduction to Decentralization, Theoretical Issues on Decentralisation questions from 17th- 19th Century Philosophers and Politicians, Introduction to local Government management, Decentralisation Policy of Lesotho: Provisions for Local Governments, Local Governments and Public Goods Provision and Case Studies: Decentralisation, Local Government and Public goods / service provision: the case of education and health
 - Teaching methods includes: Research and presentations, class discussions, audiovisuals (videos), face to face lectures, and student led teaching method.
 - Developed quizzes, exams, and homework
 - Revised the syllabus to meet accreditation standards
 - Coordinated grading
 - Developing course materials and outlines
 - Developing the syllabus
-
- Taught **Management of public finances**, an undergraduate course averaging 120 students per semester, covering the following topics:
 - The Nature of Public Finance**
 - The Rationale for State Intervention
 - The Nature of State Intervention.
 - Analysis and Impact of Taxation**
 - Efficiency and Equity: Excess Burden and Incidence
 - Taxation and the Supply of Labour, Savings and Investment
 - Taxation in Developing Countries
 - Analyzing Public Expenditure and Budgeting**
 - Special Issue: Health and Equity**
 - Public Finance and Development**
 - Teaching methods includes: Research and presentations, class discussions, audiovisuals (videos), face to face lectures, and student led teaching method.
 - Developed quizzes, exams, and homework
 - Revised the syllabus to meet accreditation standards
 - Coordinated grading
 - Developing course materials and outlines
 - Developing the syllabus

Curriculum Development/ New courses Developed for my department

- Designed Short courses on **Project Monitoring and Evaluation**, a certificate course, covering the following topics:
 - Project and Project Cycle
 - Logic Model and Theory of Change
 - Monitoring and Evaluation's (M&E's) Fundamentals.
 - Developing Monitoring and Evaluation (M&E) Frameworks
 - Understanding Indicators
 - Developing a Monitoring Plan.
 - Conventional and Participatory Monitoring
 - Participatory Rural Appraisals (PRA) methods for Participatory M&E.
 - Research and Evaluation
 - Evaluation Designs and Process.
 - Handling Data - Collection & Collation.
 - Data Analysis and Interpretation
 - Computer Assisted Data Analysis
 - Developing an Evaluation Terms of Reference (ToR)
 - Monitoring without Indicators.
- Teaching methods includes: Research and presentations, class discussions, audiovisuals (videos), face to face lectures, and student led teaching method.
- Developed quizzes, exams, and homework
- Revised the syllabus to meet accreditation standards
- Coordinated grading
- Developing course materials and outlines
- Developing the syllabus
- Designed Short courses on **Disaster and Crises Management**, a certificate course, covering the following topics:
 - Disaster Risk Reduction: Concepts and Terminologies
 - Key elements of disaster risk reduction
 - Conceptual frameworks
 - Trends on disaster impacts
 - People centred Approach to Disasters Strategy
 - How people perceive disasters
 - Acceptance of disaster risks
 - Disaster cycle and Disaster Risk Reduction
 - Mitigation
 - Preparedness: Components of a disaster preparedness system
 - Response
 - Recovery
 - Risk Assessment and Management

- Risk categorization
 - Disaster risk management: Policies, programmes, Planning, resourcing and Operations
 - Risk Assessment Methods
 - Disaster Mitigation Measures
 - Structural and non-structural measures
 - Hazard Mapping
 - Adoption and Enforcement of use /zoning practices
 - Implementation and Enforcement of building codes
- Teaching methods includes: Research and presentations, class discussions, audiovisuals (videos), face to face lectures, and student led teaching method.
 - Developed quizzes, exams, and homework
 - Revised the syllabus to meet accreditation standards
 - Coordinated grading
 - Developing course materials and outlines
 - Developing the syllabus

Courses introduced and/or modified as a member of the Public Administration course offerings sub-committee

- Governance and Development Administration (modified an old course Development Administration)
- Local Government and Decentralisation (modified an old course Local Government)
- Urban Governance and Management (new course introduced)
- Management of Public projects (new course introduced)
- Regulation Management and Governance (new course introduced)
- Monitoring and Evaluation (new course introduced)
- Contract Negotiation and Management (new course introduced)
- Disaster and Crisis Management (new course introduced)
- Climate change (new course introduced)

Administrative Positions Held at the National University of Lesotho

- Acting Head of Department (HOD), Political and Administrative studies (July to September, 2019)
- Public Administration course offerings sub-committee: A special committee for reviewing the Public administration courses for the department.
